

You will need:

- Construction paper or cardstock
- Scissors
- Glue
- Markers
- Cotton ball

Optional:

- Wiggly eyes

Directions:

1. Cut out the following pieces out of construction paper or cardstock:

- 1 - 11" x 2" strip for the body
- 1 - 1" x 2" strip for the neck
- 1 - 3 1/2" x 2 1/2" heart for the head
- 1 - 1 3/4" x 1 1/4" heart for the mouth
- 1 - 2" x 2" heart for the front feet
- 2 - 3" x 1" outer ears
- 2 - 2" x 1/2" inner ears
- 2 - 2" x 1" teardrop shapes for the back feet.

2. Make a 2" fold on each end of the 11" x 2" strip.

3. Glue the ends of the strip together to make the body.

4. Glue the inner ears onto the outer ears and then glue both ears to the largest heart.

5. Glue the mouth heart to the head heart.

Step 5

6. Glue on eyes and draw on nose, mouth, and whiskers.

Optional: Cut a small rectangle out of white paper, draw a line down the middle and glue in-between the head and the mouth pieces to make the bunny's teeth.

7. Glue the front feet heart to the bottom of the body so the rounded parts of the heart are peeking out the bottom. Glue the back feet on so they are peeking out the sides.

8. Glue half a cotton ball to the backside of the body.

9. Accordion fold the 1" x 2" neck strip and glue one end to the upper front of the body (see image).

10. Glue the other end of the strip to the head and let your bunny bobble!!!

11. Show us your bobblin' bunny on our Facebook page "Adventures in EdZOOcation" or tag the North Carolina Zoo at #NCZOO or #NCZOOED.
