You will need:

- Paper
- Paint and paint brush
- Marker
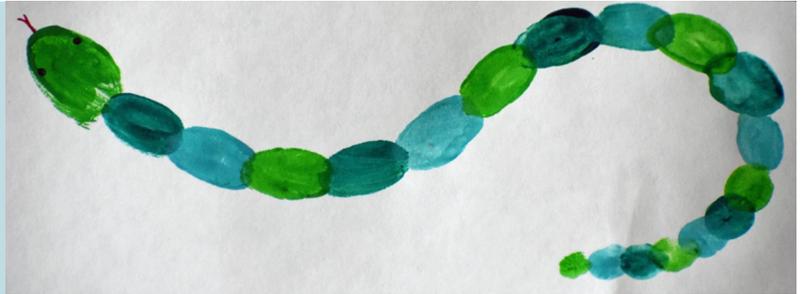

Directions:

1. Dip a finger in paint or brush the paint on your finger with a paintbrush. Press your finger on a blank piece of paper. Repeat with any colors you want.

   Note: Use a larger finger to make the head and use smaller fingers as you get towards the tail.

Step 1

2. Draw on eyes, tongue and decorate however you like.

Step 2
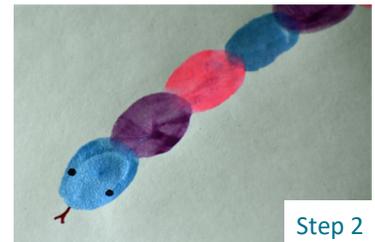

3. Try different colors, patterns and sizes.

Step 3
